

# Pennsylvania Democrats

building blue: **education, participation, action**

Help us build Pennsylvania blue by electing Democrats who will work with Governor Ed Rendell to keep the Keystone State moving forward by:

Ensuring that no child in Pennsylvania or the nation is without health insurance

Provide middle class Americans with tax relief while fighting for a trade policy that strengthens the American economy.

Invest in a clean energy future, so that America starts the path to oil independence and reclaims it's leadership on climate change.

Bring our troops home with honor, and use aggressive diplomacy to stabilize Iraq and the Middle East.

"Without continual growth and progress, such words as improvement, achievement, and success have no meaning."  
--Benjamin Franklin

Help us **WIN** the most important election of our lifetime by voting the **Democratic** ticket in **November!**
